INTERNSHIPS

Namebing Solution LLP IT / Computers - Software Intern	15 Dec, 2024 - 15 Feb, 2025
Key Skills: HTML, CSS, Java, Javascript, SQL, NO SQL, PL SQL	
During my internship at Namebing Solution LLP, I worked on several projects focused on web development. My primary responsibilities included: <ul style="list-style-type: none">•Developing responsive and user-friendly web pages using HTML, CSS, and JavaScript.•Implementing modern web design practices to enhance the user interface and overall user experience.•Collaborating with the development team to optimize websites for performance and accessibility. This hands-on experience allowed me to refine my skills in frontend development, problem-solving, and teamwork while contributing to the successful delivery of the company's projects.	

PROJECTS

Portfolio Web Page Mentor: Self	15 Dec, 2024 - 04 Jan, 2025
Key Skills: HTML, CSS, JAVASCRIPT	
Project Link: https://shivamcode10.github.io/Portfolio-Website/	
I am excited to create my first portfolio website using HTML, CSS, and JavaScript. This project will showcase my skills, creativity, and passion for web development. Through this portfolio, I aim to present my projects, highlight my technical expertise, and provide insights into my journey as a computer engineering student.
